

A New Way to Watch Fision TV.

A mobile app to watch Fision TV on your tablet, mobile device and more!

Access to Fision GO is FREE with your Fision TV subscription.*

With Fision GO Basic you'll get:

- Watch Live TV
- Navigate using our modernized TV guide and the Live Preview option
- Set reminders so you don't miss your favorite show (*iOS devices only*)
- Watch on multiple screens or even cast to another device
 - **You can use:** Apple iOS, Android and Windows 10
 - **Cast using:** Apple Airplay, Google Chromecast
 - **Access through:** Xbox

Want more features?

Upgrade to Fision GO Premium and get additional features like:

- **Fision GO Cloud DVR** - Record your favorite shows and watch them at your convenience. Including the ability to record a series of shows.
 - 50 Hours of Storage - \$5.99/mo.
 - 500 Hours of Storage - \$9.99/mo.

Subscribe to any Cloud DVR storage plan and get Replay TV Plus included! This allows you to watch TV from the 7 previous days on up to 46 channels.

NOTE: Must subscribe to a physical DVR in the home to receive the Fision GO Cloud DVR. The... Fision GO Cloud DVR is not connected to the equipment in your home. If you have a Fision TV HD/DVR box in your home those DVR recordings will NOT be accessible using Fision GO.

Important Fision GO Information

What channels do I get with Fision GO TV?

We are currently offering the channels listed below in the Fision GO App. You will receive channels that are included in your Fision TV digital package subscription.

Where can I watch Fision GO TV?

All of the Fision GO channels can be watched anywhere you are connected to the Fision WiFi network. This includes in your home, common areas of your property like the pool or gym, and other locations where you are connected to our Fision WiFi network. We have a select number of channels that can be viewed from any location in the continental United States. These channels are noted in BOLD on our Fision GO channel lineup.

How do I access Fision GO?

1. You will need to download the app from the Apple  , Google  or Microsoft  Stores or visit our website to watch from a PC.
2. You will use the same username and password you are currently using to access your My Hotwire online account. Don't have an online account? Please register for one online at www.gethotwired.com
